Sell Them Slatwall Easy-Panels™

Wind Mill is excited to introduce the "Garage Escape Slatwall, Easy-Panels™ Program" for Powersport Dealers. Now, for the first-time, professional grade slatwall is available to the powersport enthusiast directly from your dealership.

Garage Escape Slatwall, Easy-Panels™ are made from the same high-quality core as Wind Mill's larger commercial panels. This exclusive core material, Anchor™ Core is 50% stronger then MDF panels. The amazing core strength combined with optional Aluminum Ready-Sert™ inserts doubles maximum load capacity. Slatwall Easy-Panels™ are available in a White or Brushed Aluminum Melamine finish that will look attractive for years to come.

Wind Mill also offers PVC Slatwall Easy-Panels™ in White and Gray. This light weight slatwall is the perfect choice for high moisture environments. Additionally, this extra light weight slatwall is ideal for the interior of cargo trailers. PVC slatwall are rated for a 60-pound max load capacity.

Anchor™ Core and PVC Slatwall Easy-Panels™ are sold in minimum quantities of 12 individual packs per order. Freight FOB Sheboygan Falls, Wisconsin.

The optional slatwall accessory kit is a great add on sale.
